This programme is for female staff; already in a Leadership Role, considering promotion, and who are intending to realise this within the next 18 months. JOINT TRAINING DAY – 29 OCTOBER 2018

NEETSA held a Joint Training day for 385 teachers from of the North East Essex Primary and Secondary Schools. This was a well-received event and all who attended found the workshops and networking sessions very helpful and informative, and we expect these will have an impact on teaching and learning back in partner schools.

We would like to thank all staff involved in organising this event and all workshop and network session leads.

GOVERNANCE NETWORK EVENT – 26 NOVEMBER 2018

NEETSA held a Governance Network Event for Primary and Secondary school Governors, the focus of this was Safeguarding. All attended found the information very useful with lots to take back to their schools.
